RAILING

AVALON ALUMINUM RAILING[®]
PRODUCT INFORMATION

Rust-resistant Avalon Aluminum Railing combines form, function and versatility — providing style, safety and security. The pre-assembled rail panels feature ProLock® locking strips that are designed to hold balusters securely in place. Avalon Aluminum Railing offers the ultimate in customization with three top rail options and four rail infill styles, including traditional square balusters, glass slats, cable and Decorative Screen Panels.

FEATURES & BENEFITS

- Premium powder coating on aluminum framing meets and exceeds AAMA 2604 specifications
- Advanced weather testing, including 10,000 hours of salt spray testing
- Mix and match — perfect complement to Transform® composite railing
- Cable and glass slat infill options provide unobstructed views
- Decorative Screen Panel infill option offers increased customization with multiple designs and colors
- Adapter available to convert railing from 36" to 42" for commercial applications
- Transferable Limited Lifetime Warranty
