

EverBlack PVC™ Warranty

Our black PVC trim carries a limited warranty like most of our building materials. Trim will be free from manufacturing defects that cause the product to corrode, crack, delaminate, rot, splinter, split, or excessively swell or to suffer structural damage from fungal decay or termites for:

- 20 years from the date of original purchase for single-family residential applications.
- 15 years from the date of original purchase for all other applications, including, but not limited to, commercial, condominiums, and multi-family dwellings.

Warranty is limited to the replacement of the product only and not the cost to replace the product including labor.

Warranty is valid for the original owner and is not transferable.
